

Kitchen & Bathroom Glass Splash backs

Looking for unique glass splash backs.

Dingli Digital Creations provides architects, developers, interior architects as well Interior designers, builders/contractors and home renovators with original, custom-designed artworks on glass for a range of interior design features. Each panel is "Custom Made"

Bespoke glass splash-backs

There are no limits to the design possibilities. Stunning custom printed art on glass creations can be used for kitchen splash-backs, shower screens, room dividers or as stand alone art works.

I can design from clients' own images, you can select from my extensive catalogue or commission a new original one-off piece. Each splash-back design is custom made for your space.

My splash-backs enable you to create a special feature in your home or office, making your kitchen, bathroom or any space truly unique.

We also supply artworks to match your decor, made to measure ,printed on most materials.
